ABOUT US

ExpAndes from Patagonia to the world

We are Natalia Guaragna and Juan Ramírez from Bariloche, Patagonia Argentina.

We understand that local producer are ready to offer the high quality of their products to the world, so we decided to join them to comit the suces of their products.

Authentic Flavors from Argentine Patagonia

Patagonia is synonymous with pure nature, unique landscapes, and inspiring traditions.

From this privileged corner of the world come gourmet products that combine premium local ingredients with careful, original processes, bringing the essence of our land to every bite.

Artisanal jams, glacier spring mineral water, alfajores, craft beers, and delicatessen made with natural raw materials make this region an incomparable origin for those seeking authentic and distinctive flavors in international markets. We invite you to discover our selection and contact us to learn more about how to import these exclusive products to your country and share the gourmet experience of Patagonia with your clients.

VERMOUTH

WILD BOTANICAL VERMOUTH

Perfect balance between the subtle sweetness of caramel and the bitterness of selected wild herbs.

TASTING NOTES

Red in color with coppery glints, it presents an intense and herbal aroma on the nose. An aromatic blend of red fruits with a touch of creamy caramel, subtle acidity provided by rosehip, a complex bitterness, and a botanical artemisia finish.

Bottle: 500cc and 250cc

WILD BOTANICAL VERMOUTH

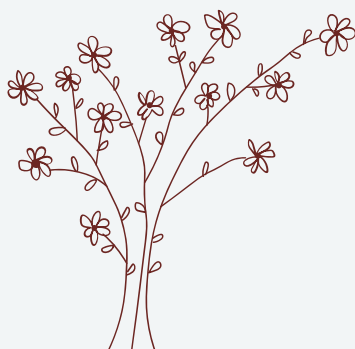

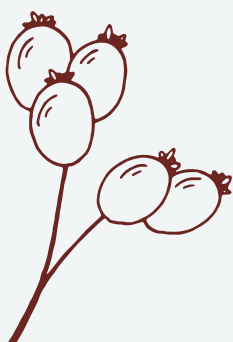

Reserva

It is the result of the evolution of our vermouth rosso in oak barrels.

TASTING NOTES

Mahogany red in color, it presents notes of wood and ripe red fruits on the nose. It's well-balanced on the palate, with a sweet touch that evolves to a subtly bitter finish. The oak aging gives it consistency and character.

Bottle: 500ml and 250ml
