

ORLANDO IMPORT EXPORT 2001

ORLANDO IMPORT-EXPORT 2001 Company was established in 1994 and it has 20 years experience in romanian FMCG market and it is one of the romanian largest producer in it's field.

The company's activity is oriented in three main directions: import, processing and distribution.

The products that the company develops are:

Nuts – peanuts, almonds, cashews, pistachios, sunflower seeds, walnuts, hazelnuts, etc;

Dried fruits – figs, apricots, dates, plums, raisins, etc;

Spices – pepper, paprika, curry etc;

Sweets – Turkish delight, baklava, glazed fruits and nuts, etc;

Pastry products – vanilla flavored sugar, rum flavored sugar, vanilla and rum flavors, etc.

Our products are listed in all International Key Accounts, either under our brand or private label. We are also present in the portfolio of the big distributors of the food industry in our country. Our main target now is to export our products to other foreign markets, so we are interested in new partners with whom we want to start and sustain long term comercial relationships. Be our partner now!
