OLTINA TRADING company was founded in 1994, having as main activity object "Trading". In 1999, the company decided to add another activity object – "Bakery". In 2006, with the change of ownership, is been decided an investment in the milling domain by acces of a SAPARD(EU PROGRAM) being called "Modernization of primary processing capacity of cereals, storage capacity expansion and purchase of equipment for transport", but also with our own resources. In this way, our domain become "Milling".

Since foundation, our main objective was to ensure a variety of products, according with customers requirements. We believe we can prosper and grow only by fulfilling all of our customers desires. That is why we use all our resources to provide only best quality products.

OLTINA TRADING was established under Law 31/1990 as a limited liability company, at the subscribed capital attended the 4 (four) associates.

At 31.12.2014, our company registered a fiscal value of 30.000.000 euro/ bakery, pastry and mills.

The company has 330 employers.

Bakery and pastry – located in Urlati, str. 1 Mai, no.33B, with a large variety of bread and pastry products, which are found in every store of area. We also have a good cooperation with area hipermarkets such as: Kaufland, Profi, Billa, Mega Image, XXL Megadiscount, Penny Market.

Those 202's bakery and pastry employers with a high qualification in bakery domain are working daily with skill and dedication for produce and distribute all our products in all the area.

WHEAT MILL– located in Urlati, str. Socului, no. 20A, with a capacity of cereals milled of almost 280 To/day.

Corn mill, with a capacity of 240-270 To/day, was founded in 2011, with our own financial resources, we are using only high quality machines provided by Buhler Germany and Ocrim Italy; we rely on personal with high qualification in milling domain; our own laboratory is accredited by Sanitary Direction and is equipped with the latest appliances.

OLTINA has a good cooperation with commercial partners such as Kaufland, Billa, Profi, Baneasa, Dobrogea, Mega Image, Penny Market, XXL, Lidl; we have also a very good cooperation with the biggest farmers from Romania (Agricover, Cargill, Interagro, etc) – we provide almost 70.000 To corn/year – for covering our customers needed.

We are producing almost 55.000 To/years of corn finished product, and we have a storage capacity of 7000 To.

We also count with a delivery capacity all over 100 vans, trucks and bulks.

Each and everyone of our clients are unique, we try and most of all we succeed to find solution for everyone. That's why, we promote initiatives and find always solution to match the customers and partners requirements.

By quality seriosity, professional and respect, Oltina won it's name becoming nowadays a great brand in bakery and milling industry.
