Description of your company (activities, technology, products and services)

Carota Sp 2.0.0 is a group of producers situated in Poland. Every member of the group has a long-standing experience in vegetable production and the total area of crops amounts to almost 2,000 hectares. Our vegetable storehouses belong to the best in Europe - they can accommodate around 25,000 tons. Carota combines experience with the most modern solutions. Thanks to such an organisation we can offer high-quality vegetables all year round.
