Firma Tanıtımı (İngilizce en fazla 150 kelime)	About Company: (Please describe your company in max 150 words)	GELAL, established in 1966 is owned 100% by the Bekmezci family, manufacturers of socks for three generations. GELAL is a globally leading manufacturer of all types of socks, from football and all sorts of sports and activity socks, to fashion and basic socks, for men, ladies and children. GELAL has factories in Istanbul and Cankiri which is PLATINUM Certified to the LEED Standard, of the U.S. Green Buildings Council, for energy sustainable buildings. Product Development, Collections creation and Innovation are served by autonomous to production R&D Department, equipped with knitting machines of all types, manned by expert operatives and technicians, served by an independent warehouse for materials. All knitting machines have latest technologies and auto toe-close capability. Primary raw materials are dyed to highest specifications, at dye-houses using high-tech advancements, methods and equipment. The fully equipped in-house Laboratories (accredited to Clients' specifications) perform all necessary tests on yarns and final products, by Client certified technicians.
