Firma Tanıtımı (İngilizce en fazla 150 kelime)	About Company: (Please describe your company in max 150 words)	Accouchée, is a premium maternity brand established to help women sustain their pre-birth selves. We offer high quality pieces made of natural fabrics designed to be used during all 3 periods; pregnancy, nursing & beyond. Yet from day one, we tried to be a voice rather than a clothing brand, standing for all the moms who want to stay as role models to their kids by staying as who they are. Therefore, in 2019 Accouchée was selected by the US Department of State as 50 brands to be supported. In 2020, it was showcased the World Economic Forum in Davos; and later by UN Women.
