The Indonesian Chamber of Commerce and Industry (or KADIN is an association of business organizations in Indonesia. Members of this organization consist of entrepreneurs or a combination of national businesses from various sectors, both private-owned enterprises, cooperatives and government-owned enterprises. Kadin is headquartered in Jakarta, but it functions in coordinating, consultation and cooperation of chamber of commerce throughout Indonesia.

The organization was founded on 24 September 1968. The aim is to develop Indonesian entrepreneurs based on a noble, clean, transparent, and professional soul, as well as productive and innovative which must foster and develop balanced and synergistic, harmonious cooperation, both at sectoral and cross-sectoral, inter-scale, regional, national and international level, in the context of creating a healthy and dynamic business climate to encourage equal distribution of business opportunities to the maximum extent of the Indonesian business world in participating in carrying out national and regional economic development.
