Dehidra is a vertically integrated healthy snack business owned by several European families. Since 2015, we are running and developing a 60 hectares state-of-the-art growing and processing facility, the biggest of the kind in the Baltic States and one of the biggest in Northern Europe.

We grow wonderfully tasting strawberries and raspberries – the most popular berries in the world. Most of our harvest is freeze-dried and sold as light, crispy and tasty snacks in a number of European retail chains or as high-quality ingredients for industrial users. A small part of the berries is sold fresh locally.

Dehidra offers:

Freeze-dried strawberries, raspberries, blueberries, apples, banana, mango, pineapple, freeze-dried strawberry powder, freeze-dried raspberry grits, freeze-dried raspberry powder.

Having started its activity in 1997, by trading grain and groats grown by Lithuanian farmers, today Galinta ir partneriai has become one of the largest producers of buckwheat groats in Europe and producers of flakes in the Baltic States.

For more than twenty years, our products have been discovered not only by consumers in Lithuania and other Baltic countries but also by consumers who promote healthy eating and appreciate food quality in the USA, Great Britain and Scandinavia.

TODAY GALINTA IS DEVELOPING THESE BUSINESSES:

- buckwheat groats production. Galintos Grūdai, a branch of the company operating in Varėna, is one of the largest and most modern buckwheat factories in the entire region, with a production capacity of over 1,000 tons of buckwheat groats per month;
- flakes production. In the subsidiary, UAB Galintos grūdai the highest quality oat, wheat, barley, rye, millet and other kinds of flakes are produced.
- wholesale of bulk foods - rice, buckwheat, flakes, and other cereal crops. Groats and flakes with the Galinta brand can be found in all major retail chains in the Baltic States;
- purchase and storage of grains.

The history of Kalnapilis began in 1902, when on January 1, the German landowner Albert Foight brewed the first batch of beer at the Bergschlösschen brewery in Panevėžys, the centre of Aukštaitija, famous for its brewing traditions.

Nowadays the “Kalnapilio-Tauro” brewery is totally renovated and is the part of Danish Royal Unibrew Group with more than a million hectoliters annual capacity and a huge number of loyal partners and customers worldwide.

For many years we have been providing the Qualitative Private Label Service producing for the partners a variety of beer under their Unique brand. To make our customers feel comfortable working with us we can offer the whole range of Private Label services: starting from the design to CIF delivery. We work personally with each customer offering them the most appropriate terms of cooperation: payment, production, delivery terms. Our customer service is ready to support our partners 24 hours daily.

ŠVYTURYS-UTENOS ALUS, the biggest in the Baltic States and indisputable beer maker in the Lithuania market, unites two breweries: Švyturys brewery in the port of Klaipėda, which is the oldest in Lithuania, and Utenos Alus brewery in Utena town – the largest and most modern brewery in the Baltic States.

Over the last few decades of independence, we created many new brands of beer, such as Švyturys Ekstra. The new brands have made Klaipėda's brewery famous not only in Lithuania but worldwide.

Švyturys brewers were the winners in the prestigious World Beer Awards this year. The title of the World's Best Lager Dortmunder went to the most famous Lithuanian beer brand, Švyturys Ekstra. The Lithuanian beer, which has outrivalled a number of competitors, shines in these awards for the second time already.

Coastal Wave Linen is a brand created for S. Korean people where the original pioneer is the European brand Epic Linen which is a family-run business. Our story began in the middle of the last century when our grandparents were great tailors working with linen textiles. Now we are fourth-generation linen textile industry experts and our shared passion for craft and design is rooted in our family history and we hope this trade will stay in the family.

European linen clothes and home decor collections with traditional looks and combined modern touches are as important as our aesthetic values and beliefs. Our great passion for designing textiles from natural 100% soft-washed linen fabrics is created in a simple yet very functional way.

Our team is created from strong co-minded people with technologists, designers and tailors specializing in such a range of production:

- Kitchen linen
- Dining linen
- Bed linen
- Bath linen
- Curtains & cushions
- Apparel for women & men
- Kids & babies clothing
- Custom orders
- Wholesale orders
