AESTHETICAL

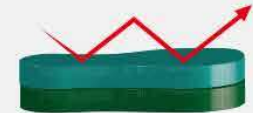

Flexibility

Hovercraft gommus shoes ensure that the entire sole gets filled with air and make walking easier thanks to the air circulation on the sole. Thanks to their impact-resistant characteristics your feet stay comfortable and at ease all day long. The Hovercraft technique featured on the sole provides an elegant and flexible walking as it gives a shock absorber feeling with airbags pushing back.

SHOCK ABSORBING

The Hovercraft technique featured on the sole provides an elegant and flexible walking as it gives a shock absorber feeling with airbags pushing back.

AIR DUCTS

Ensures that the entire sole gets filled with air.

AIRBAG

Keeps your feet comfortable and at ease all day long thanks to its impact-resistant characteristics.

AIR CIRCULATION

Makes walking easier thanks to the air circulation on the sole.
