# Our Motto

LOVE AT FIRST TOUCH.

# Who We Are?

Daga Kidswear is a family brand with a 30-year tradition, founded by a mother and daughter. For years, we have been creating unique children's clothing collections and handmade accessories, putting passion, heart, and attention to detail into every project. Our mission? To provide parents with garments that combine quality, uniqueness, and timeless style.

# Why Choose Us?

- ✦ Exclusivity – our designs are original and available in limited editions.
- ✦ Quality – all our garments are made in Poland, with no outsourcing to China.
- ✦ Handmade Accessories – unique, handcrafted details that make a difference.
- ✦ Fast Production – quick response to reorders.

# Our Team

A mother (Grażyna) and daughter (Monika) team, united by passion. A journey that began 30 years ago with a mother's dream is now a shared adventure. Today, we work side by side—Mom as the main designer and daughter, learning and creating together, bringing new energy to every collection.

A close-knit team that has been with us for years—talented individuals who understand each other without words, ensuring the highest quality in every piece we create.

# Collections

Our collection is a celebration of uniqueness and quality. Each piece is crafted with exceptional attention to detail, featuring exclusive designs that set us apart. We take pride in offering high-end craftsmanship at a fair price, ensuring that our creations remain both luxurious and accessible. You won't find our designs in mass retail stores—every collection is carefully curated and released in limited editions, twice a year, for Spring/Summer and Autumn/Winter.

Our designs are enriched with hand-applied embellishments, including crystals, sequins, and rhinestones, adding a touch of elegance and sparkle. We also create handmade accessories that complete the look, such as headbands, hair clips, socks, and even matching costumes, making each collection truly special.
