YOLYN

YOLYN is a face, body and hair care that combines modern trends with the **#LoveYourselfFirst** philosophy. Based on unique formulas and the highest quality ingredients, our products are designed to comprehensively care for your skin and hair, providing not only visible results, but also pleasure and well-being. Naturally!

YOLYN's portfolio includes **facial serums, lip boosters, bath shakes and body fragrance mists**, as well as **hair care and styling products** - you can freely combine them to create your own beauty rituals, or choose one line and achieve a specific effect.

YOLYN is more than cosmetics - it is **efficiency, modernity, multifunctionality and personalization**. We focus on individual needs, conscious care and sustainability. Our products stand out with **unique fragrances, unique design and formulas that really work**.

For much more, visit **#YolynLab**. Fall in love with skincare that makes you feel beautiful - from the first use!

#LOVE *yourself* FIRST

Beauty Lab Face Serum

1. Serum in gel form is the perfect solution for individuals in need of effective skin hydration. Collagen is responsible for skin firmness, elastin adds elasticity, and **hyaluronic acid provides moisture**. This is a multi-active complex with ingredients that improve the firmness of your skin while simultaneously reducing the tendency for wrinkles to appear.

EAN: 5901785009095

30 ml

2. A treatment **with vitamin C** and hyaluronic acid, accompanied by bitter orange extract, creates the perfect cocktail to preserve your youth. **Vitamin C is one of the most potent antioxidants**. By stimulating collagen and ceramide synthesis, it ensures skin brightening, regeneration, improved elasticity, and the strengthening of blood vessels.

EAN: 5901785009101

30 ml

3. **The oil-based formula with vitamin A** is your daily ally in maintaining your skin's condition. Improved moisture, smoother texture, and the reduction of blemishes are just a few of the benefits you'll gain when starting a vitamin A regimen, rightfully called the „**youth vitamin**“. By stimulating collagen, elastin, and hyaluronic acid production, it contributes to cellular renewal and smoothes the skin's surface structure. **#foreveryoung**

EAN: 5901785009125

30 ml

4. **Collagen is** often referred to as the „**protein of youth**“, as it enhances firmness and elasticity, visually reducing signs of skin fatigue and preventing the formation of wrinkles. Upon the very first use of this treatment, your skin will feel noticeably moisturized, smooth, and radiant.

YOLYN LAB Lip Care & Boosters

12 ml

The YOLYN LAB product line offers modern, effective solutions for those seeking fuller, smoother and more beautiful lips without resorting to aesthetic procedures. Each product is designed to provide long-lasting hydration, nourishment and smoothness, while providing a visible optical filling effect thanks to the action of **capsaicin**.

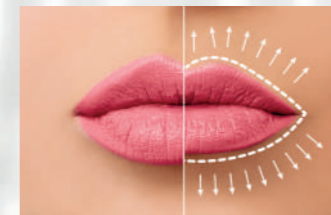

- **Glossy Lip Plumping Serum** – Featuring castor oil, vitamin E, and chili extract, this serum instantly enhances lip volume, leaving them silky soft and shiny. A gentle tingling sensation boosts fullness within just 5 minutes.

Available in 3 colors

- **Hydro Lip Plumping Serum** – Enriched with hyaluronic acid and collagen, this serum hydrates, firms, and smooths the lips, while reducing fine lines around them. It gives the lips a fuller and more defined appearance.
- **Glow Lip Booster** – is an excellent alternative to aesthetic medicine treatments. The formula with castor oil, vitamins E and B5 moisturizes long-lasting, leaving lips silky soft and smooth.
- **Lip Mask** – Formulated with peptides and shea butter, this mask regenerates, protects against dryness, and deeply hydrates, leaving lips nourished and restored.
- **Lip Scrub** – A sugar-based scrub with shea butter and vitamin E that gently exfoliates dead skin cells, leaving lips soft, smooth, and perfectly prepped for further care.

Natural Massage Candle

Feel the relaxation of your body and senses by the candlelight of YOLYN. Ingredients of natural origin will provide the skin with a moisturising feast, and the amazing scent will stimulate the imagination.

How to use: Shorten the wick, light the candle for a few minutes. Pour the wax on your hands, checking its temperature, and transfer it with massaging movements to the skin. You will get the best effect with your favorite music and a chilled, bubble sparkling drink. Once you have finished the product, you can reuse the packaging to store spices or trinkets. Your imagination is the only limit.
